**DATE:** Thursday, November 10, 2011    *Rain Date: Tuesday, November 15, 2011*

**TIME/LOCATION:** 11:00am–2:00pm at the Virginia State Police Administrative Headquarters parking area located behind the main building at 7700 Midlothian Turnpike, Richmond, VA 23235

**DESCRIPTION:** This EXPO showcases Virginia's Public Safety services and resources, and will raise funds for the Virginia Disaster Relief Fund. **No entrance fee.**

**SHUTTLE SCHEDULE:** There will be a pick-up at Darden Gardens (9th and Broad) at 10:30am and 12:30pm. The bus will return from the VSP parking lot to Darden Gardens at 12 noon and 2:00pm. A vehicle will be available at the VSP parking lot in case an emergency return is needed.

**EMERGENCY OPERATIONS CENTER (EOC) TOURS:** The first tour of the Emergency Operations Center (EOC) begins at 11:15am, and then a new tour will ensue every half hour.

### **DCJS TRAININGS**

**Vehicle-borne Improvised Explosive Devices (11:30am)** – The use of an IED concealed in a vehicle to kill and terrorize is decades old and the wars in Iraq and Afghanistan have heightened the level of IED technology and knowledge. Learn how to increase your awareness of the indicators that a vehicle-borne IED may be in your neighborhood.

**Criminal Flash Mobs (12:30pm)** – A craze that started harmlessly enough some eight or so years ago has been hijacked by the criminal element. Learn how to become more aware of this threat and identify effective preventive measures.
